## ingacademy.de – Education for Engineers.

ingacademy.de is a special interest platform for engineers.

The education information platform has been in existence since May 2002 and specifically targets engineers who are interested in professional development. It offers key information on career and education in a clear and compact format:

- Events calendar with selected education events,
- Education fairs with services and products of high quality education providers,
- Campus with sophisticated scholarships for management focused education,
- ingacademy News, the latest information free of charge by newsletter.

## Online. Print. Event.

### **Advertise successfully with ingacademy.de!**

ingacademy.de is the ideal advertising platform for education providers specifically targeting engineers interested in developing their careers through further education. Whether you are a private or public education provider, research institute, institution of higher education, MBA provider, fair organiser, publisher or association – the attractive advertising offers on ingacademy.de make it easy for you to successfully and efficiently reach your target group.

In addition to our online advertising options on ingacademy.de we also offer advertising opportunities in VDI nachrichten, Germany's largest weekly newspaper for technology, the economy and society, in the special supplements MBA for Engineers and Ingenieur Karriere, as well as participation in recruiting events organised by VDI nachrichten.

**We would be delighted to discuss your ideal advertising options and put together a proposal for you. Feel free to contact us on:**

## Online Advertising

In what follows we introduce the online advertising formats which are currently available on ingacademy.de and reach a targeted audience of engineers who are interested in further education offers.

### Newsticker

Promote your education events in our Newsticker on the ingacademy.de homepage, on the events calendar pages or in the education fair section. The highly visible placement of the Newsticker guarantees a high level of attention among users.

Duration	Booking Unit	Price
2 weeks	Text entry, max. 150 characters	200 EUR

### Content-Banner/Teaser

Place your banner within the content area of ingacademy.de's homepage or make use of a teaser column on ingacademy.de, ensuring high visibility on all pages.

Duration	Booking Unit	Price
1 week	Banner: 468 x 60 Pixel max.	300 EUR
	Teaser: 300 x 250 Pixel max.	300 EUR

### Newsletter ingacademy News

ingacademy News provides information on education offers, events and specialist literature for subscribers every second Wednesday in a month, free of charge.

Capture the attention of subscribers for your seminar offers, study programmes, your institution or special offers by booking your text entry in ingacademy News. As a key feature of your advert you may include, for example, a link to a special education offer, exclusive to ingacademy News subscribers. This could be an event, or a special campaign, a scholarship offer or something similar, which would be announced on ingacademy.de.

Duration	Booking Unit	Price
Per issue	Text entry, max. 1,000 characters including your logo, one jpg or gif image	300 EUR
Booking deadline is the second wednesday of each preceding month		

### ingacademy

The ingacademy.de events calendar presents the latest education events for engineers, primarily offered in the German-speaking region. Easy to navigate search functions allow users to find suitable events and offers quickly.

Enter the dates and information on your education events or seminars directly into the events calendar and attract new participants.

Duration	Booking Unit	Price
6 months	Unlimited number of entries in the events calendar	350 EUR
12 months	Unlimited number of entries in the events calendar + 1 text entry in the newsticker + 1 text entry in the newsletter	500 EUR

### ingacademy Plus

Present your full education offer in detail at ingacademy.de education events. Included in your provider profile booking is the opportunity to present a detailed description of your education products and services, and link to them directly. Additionally, your education events will be listed in the ingacademy.de events calendar. These entries will be highlighted graphically and link to your profile, so that users are able to quickly access all relevant information about your education offers.

With ingacademy Plus you are also highly visible to newsletter subscribers and are able to benefit from a very attractive price package.

Duration	Booking Unit	Price
6 months	1 provider profile + entries into the events calendar + 1 text entry in the newsticker + 1 text entry in the newsletter	800 EUR
12 months	1 provider profile + entries into the events calendar + 1 text entry in the newsticker + 1 text entry in the newsletter	1,200 EUR

### ”ingacademy Executive“ – Scholarships for Engineers

Choose a programme from your current portfolio and promote it with one or more scholarship offers on the Campus section of ingacademy.de and win over new potential candidates for your education offers.

Since 2008, VDI nachrichten has been offering scholarships on Campus on a regular basis. Benefit from this innovative promotional platform and offer your scholarships to interested engineers.

This might also interest you: the VDI nachrichten scholarship conferences, which have been taking place since 2010, offer the opportunity to present your scholarships specifically to engineers. VDI nachrichten moderates the conferences online and supports the event with editorials and advertisements in various publications.

Duration	Booking Unit	Price
6 months	1 scholarship offer on Campus + 1 text advert (10 lines at 65 characters each) + 1 text entry in newsticker + ingacademy Plus	1,700 EUR
12 months	2 scholarship offers on Campus + 2 text adverts (10 lines at 65 characters each) + 2 text entries in newsticker + ingacademy Plus	2,800 EUR

## Online Print Combo

Increase your advertising reach by combining the attractive ingacademy.de Plus online offer with an advert in our print media VDI nachrichten. This allows you to be present at ingacademy education events and simultaneously reach 365,000 readers per edition (AWA 2017) with 228,000 deciders (LAE 2017) by advertising in VDI nachrichten, Germany's influential weekly newspaper for technology, the economy and society.

MBA for Engineers is issued twice a year as a special supplement to VDI nachrichten and targets specifically engineers interested in further education in management and science.

The magazine 'Ingenieur Karriere' is also issued twice a year as a supplement in VDI nachrichten and is additionally distributed independently as a free sheet at faculties of technology in institutions of higher education. In addition to reaching VDI readers your advertisement in 'Ingenieur Karriere' communicates to an audience of students, career entrants and young professionals.

## General terms and conditions of ingacademy.de

### Service package:

Placement of provider profile, placement of entries in the events calendar

#### 1. Service provisions: ingacademy.de

1.1 ingacademy makes available web-space for the education provider on the ingacademy.de provider database for a profile presentation.

1.2 If required, the education provider receives access to the CMS via username and password, so that they may update their data independently and at any time.

1.3 The education provider can place their profile online, along with their current education offers. The service provision exclusively comprises information supported by the entry mask on ingacademy.de

1.4 Service package bookings must be made in writing via the dedicated booking form. The education provider bears the risk of unsolvable errors in transmissions.

1.5 All offers are non-binding. A written booking confirmation by ingacademy.de is required to make the agreement binding. This confirmation may be substituted by the activation of the provider's username and password and/or by invoicing or receipt of the invoiced amount.

1.6 In case of unavailability of services, ingacademy reserves the right to withdraw from the contract. It commits to informing the provider without delay about the withdrawal and to reimburse any moneys already paid by the provider

#### 2.2. Granting of Rights

2.1 The provider specifically grants ingacademy online-, access- and transmission rights, as well as the right to make the data available on demand, the broadcasting rights, the copyrights and distribution rights and the archiving and database rights.

2.2 The granting of rights is valid only for the duration of the respective agreement within the framework of the service package.

2.3 ingacademy is entitled to transfer the rights of use to a third party if this third party has been hired by ingacademy for the creation and realisation of ingacademy.de

#### 3. Legal Warranty, Assurances

3.1 The provider warrants to be the rightful owner of the rights granted to ingacademy within this agreement, specifically the required copyrights and rights of use. The provider furthermore warrants that the personality rights of third parties or other rights are not breached by the contractually agreed utilisation of contents and is solely responsible for the contents.

3.2 The provider releases ingacademy from any claims made by a third party in connection with the contractually agreed utilisation of contents or that arise from noncompliance with provider obligations as per section 3.2

#### 4. Payment

4.1 Prices published online at [www.ingacademy.de/auftragsformular](http://www.ingacademy.de/auftragsformular) apply.

4.2 Upon invoicing, the provider may pay by bank transfer or direct debit and can indicate authorisation for a direct debit on the booking form.

4.3 By submitting the booking form signed by the provider, or upon activation of the access data for ingacademy.de by ingacademy, as per section 1.5, the invoice amount becomes immediately due. Invoices may be sent by normal post or special delivery

#### 5. Warranty and Default

5.1 ingacademy conducts its online services with utmost care. Nonetheless, it may at times occur that an online offer is temporarily unavailable or that access to respective data in the databases is not possible due to technical reasons. ingacademy is not liable in these circumstances, and neither is liable for the utility of the retrieved data for the user.

5.2 No warranties by ingacademy give rise to an infringement of copyrights during searches, data retrieval or with regards to the contents of the data (i.e. spelling errors) that do not substantially impair the use of the database.

5.3 ingacademy will resolve any disruptions and errors in the contents and functionalities of the database immediately and copyright impairments within an adequate timeframe.

5.4 ingacademy may serve warranty through amendments and compensations. If those fail, the provider is entitled to claim an adequate reduction of the price or to withdraw from the contract, as far as services warranted for a longer duration are concerned. For damage claims, section 6 applies

## 6. Liability

Both parties are liable for compensation, regardless of the legal reason – if intentionally caused in the full amount, – in cases of gross negligence and failure to deliver an agreed property in the amount of the typical and predictable damages that arise from failing to meet the duty of care or assurance of property, – in all other cases of a violation of a substantial contractual obligation, in the event of default or impossibility for typical and predictable damages, in total limited to the maximum invoicing amount for the duration of one year.

## 7. Duration of Agreement and Notice

7.1 This agreement becomes active with the submission of the booking form by the provider. It is valid for the duration booked within the framework of the service packages (see service packages). The duration of the agreement is extended automatically by the duration of the services booked unless the agreement is cancelled by the parties one month prior to its expiration.

7.2 ingacademy reserves the right to terminate the agreement without notice in case of non-fulfilment of substantial contractual obligations by the provider. This applies in particular when the provider jeopardises the quality standards of ingacademy.de by, for example, failing to update the content or delivering incomplete content in the provider profile.

7.3 The right to terminate without notice also applies when the suspension of ingacademy.de becomes necessary due to technical or economic reasons. In this instance, the payment obligation of the provider ceases. An adequate reimbursement of any excess amounts paid in relation to the services delivered will be made.

7.4 Withdrawals from the agreements must be made in writing and can be made without indicating a reasons for the withdrawal within 14 days after entering into the agreement

## 8. Governing Law

German law applies, with the exclusion of the UN sale of goods law. If the contract party is a merchant, a legal entity under public law or a special fund under public law the parties hereto agree to have Düsseldorf as the place of jurisdiction for all disputes arising from this contract. This also applies for persons who do not have a general place of jurisdiction in Germany or persons who have changed their place of residency to outside of Germany after entering into the agreement or whose general place of residence or common domicile is unknown at the time of the complaint being raised.
